ADDITIONAL INFORMATION

Daily Flight To and From O'Hare

A daily direct jet flight to and from the Dubuque Regional Airport to O'Hare International Airport in Chicago will begin on Nov. 4, 2024. This represents the return of daily jet service between Dubuque and Chicago for the first time since October 2022.

Denver Air Connection

The flights are operated by Denver Air Connection (DAC), a regional carrier currently serving eleven regional airports across six states. Dubuque will be Denver Air Connection's first market in the state of Iowa. In addition to O'Hare, DAC also flies to hub airports in Dallas, Denver, Minneapolis, and Phoenix.

Flight Times

The flight will originate at O'Hare each day. The first leg will depart O'Hare around midday. The flight from Dubuque to O'Hare will depart mid-afternoon. Denver Air flights depart from and arrive to Concourse L at O'Hare.

Comfortable Flying Experience

Flights between Dubuque and O'Hare will be on one of DAC's 50-passenger Embraer ERJ-145 jets. This aircraft's sleek design and spacious leather seat interior gives the feel of a "private jet" flying experience.

We've Got Connections

Denver Air has interline ticketing and baggage transfer agreements with American Airlines, United Airlines, and Delta Air Lines. These agreements offer passengers the ability to book, connect, and check bags through to those airlines' destinations worldwide. With a single reservation, passengers will be able to travel, connect, and check their baggage through to their final destination.

How To Purchase Tickets

Regardless of your destination, visit [FlyDBQ.com/flights](https://flydbq.com/flights). There you'll find links to purchase tickets through Denver Air Connection, American, United, and Delta. For trips connecting through O'Hare to other destinations, you can book your flights directly through American, United, Delta, or your preferred online travel retailer or travel agency. If Chicago is your final destination, you can book on Denver Air Connection's website: [DenverAirConnection.com](https://denverairconnection.com).

Reliable Flights

Since its founding in the mid-1990s, Denver Air Connection has built a reputation based on exceptional customer service and operational reliability, as evidenced by its 98.5% flight completion rate.

Why Chicago?

Chicago, and more specifically O'Hare International Airport, was the overwhelming preference among respondents to an air service survey conducted in the Dubuque area in 2023. More than 8,000 individuals and 200 businesses were polled. Half of the respondents listed O'Hare as their top choice, and two-thirds had it as either their first or second choice. High utilization of the Chicago flights could lead to additional destinations being offered.

Work Continues to Expand Air Service

DBQ Air is a new non-profit organization formed to bolster air service in collaboration with local government and business leaders. DBQ Air's board includes representatives from the City of Dubuque, Dubuque County, the Dubuque Regional Airport Commission, the Dubuque Area Chamber of Commerce, Greater Dubuque Development Corporation, the Dubuque Racing Association, and Travel Dubuque.

DBQ Air continues to meet weekly to pursue additional air service options. High utilization of the daily flight to O'Hare will send a signal to other airlines and carriers that Dubuque is a market where additional air service is necessary and will be successful.
